**Dunham Announces New Location in Dallas, Texas**

Dateline: October 24, 2019

MINNEAPOLIS – Dunham Associates announces the opening of a Dallas, TX office. The new office will officially open for business in January 2020.

“We see the vibrant Dallas market as a fantastic opportunity to expand our company,” said Jay Rohkohl, President and CEO of Dunham Associates, “We are excited about bringing our expertise to new clients in Texas.”

Steve Gentilini, Executive Vice President, added, “There are a lot of similarities between the Dallas-Fort Worth and Twin Cities markets, and look forward to becoming a preferred engineering partner for new clients in this area.”

The office is located at 1920 McKinney Avenue in the Uptown Neighborhood and overlooks downtown Dallas.

For more information about our new Dallas office, please contact us at 612-465-7550.

**About Dunham Associates, Inc.:** Founded in 1960, Dunham Associates, Inc. is a mechanical and electrical consulting engineering firm headquartered in Minneapolis, Minnesota.
